**GROUPS WITH NON-SPECIFIED DATES
THERAPY GROUPS**

Please note that all therapy groups and support groups are not “drop-in” and require registration or intake in advance.

Making Our Way. ☎ 202.745.6185. A psychotherapy group for lesbians and bisexual women struggling with depression and anxiety disorders. This group requires a three-month commitment. Registration is required.

Psychotherapy Group for Men with Depression and other Mood Disorders. ☎ 202.939.7697. This psychotherapy group is open to anyone who is experiencing symptoms of major depression, dysthymia, bipolar disorders, or adjustment disorders. This group teaches coping strategies and life skills for people with mood disorders. Group members must make a commitment to a minimum of 12 sessions. An initial screening appointment is necessary for admission.

Positively Clean and Sober. ☎ 202.939.7631. This psychotherapy group is open to DC residents who are experiencing symptoms of major depression, dysthymia, bipolar disorders, or adjustment disorders, are in recovery from substance abuse, and are HIV positive. This group teaches coping strategies and life skills for people with depression. Group members must make a commitment to a minimum of 15 sessions.

TranSpectrum. ☎ 202.797.3526. (For people aged 18-25 who are experiencing some conflict/ambiguity around gender identity and sexual orientation). Group starts when a sufficient number of participants register.

Transitioning Together. ☎ 202.939.7631 or 202.939.7698. (For persons engaged in transition from one gender to another).

Long Time Survivors of HIV/Men. ☎ 202.939.7679. This group is designed for men who have been HIV+ for over 15 years. The group focuses on improving quality of life issues for men who live with HIV/AIDS. Registration is required.

Sexual Compulsion (New Group). ☎ 202.939.7679. This psychotherapy group is for gay men who are dealing with sexual compulsion. Group members will learn how to manage sexual compulsion and regain a healthy sexuality. Registration is required.

Dealing with Diagnosis (New Group). ☎ 202.797.3522. This group is now forming and is designed to deal with issues for persons who are diagnosed with HIV and have a mood disorder. The group will work to help members improve the quality of their lives. Registration is required.

Addiction Groups

WWAS – Intensive Primary Recovery. ☎ 202.939.7656. Members meet for a minimum of eight weeks, three nights a week. Monday and Wednesday nights provide educational topics on substance abuse followed by a primary recovery group. Friday night is a goals-focused group followed by a primary recovery group.

WWAS – Harm Reduction. ☎ 202.939.7656. This group is an alternative approach to substance abuse disorders. The harm reduction program is appropriate for those who want to reduce or eliminate substance abuse or harm associated with substance abuse. This group operates in a 12-week cycle and is open and on-going.

WWAS – Driving With Care. ☎ 202.939.7656. This nationally recognized DUI Course has been tailored to work with people who have busy schedules. Individualized services are provided by a Licensed Professional Counselor who is also a registered Substance Abuse Professional (SAP) with the Department of Transportation. The main goal of this program is to help the offender prevent future episodes of driving while impaired by alcohol or other drugs- to prevent recidivism.

Current Support Groups

Coming Out for Women. New group starting this summer. ☎ 202.797.3580.

Coming Out for Married Women. 7:00 - 9:00 pm. ☎ 202.797.3580.
